**METRO ONE SIGNS SERVICE CONTRACT WITH CHINOOK WIRELESS**

PORTLAND, Oregon – June 5, 2006 – Metro One Telecommunications, Inc. (Nasdaq: INFO), a developer and provider of Enhanced Directory Assistance® and other enhanced telecom services, today announced that it has signed a multi-year contract to provide directory assistance services to customers of Chinook Wireless, a recently formed company headquartered in Great Falls, Montana, that is operating digital wireless telephone service throughout the state.

“As Chinook’s growth plans take hold, the company’s need for high quality voice directory assistance continues to increase,” said Gary Henry, President and Chief Executive Officer of Metro One Telecommunications. “We believe that we are the perfect partner for Chinook given our core competencies of quality service at competitive price points. We look forward to serving and growing with this new customer.”

“We are excited to offer Metro One’s services and look forward to the impact we can make within our subscriber base,” said Marc Leclair, Chief Technology Officer of Chinook Wireless. “These services will assist in differentiating Chinook’s offering.”

**About Metro One Telecommunications**

Metro One Telecommunications, Inc. is a developer and provider of Enhanced Directory Assistance and other information services. The Company operates call centers located in the United States. Metro One handled approximately 231 million requests for information in 2005. For more information, visit the Metro One Telecommunications website at [www.metro1.com](http://www.metro1.com).

**About Chinook Wireless**

Chinook Wireless, headquartered in Great Falls, operates digital wireless telephone service throughout Montana. This new company was developed as a result of the acquisition of the wireless businesses and assets of both Blackfoot Communications of Western Montana and

3 Rivers Wireless of Central and Eastern Montana. Chinook Wireless plans to implement many positive changes for existing and potential customers over the next few months while continuing to provide the finest local, positive and personal customer service to our current and future customers. More information on Chinook Wireless is available at [www.chinookwireless.com](http://www.chinookwireless.com).
