METRO ONE SIGNS SERVICE CONTRACT WITH MOBI PCS

PORTLAND, Oregon – June 29, 2006 – Metro One Telecommunications, Inc. (Nasdaq: INFO), the leading provider of Enhanced Directory Assistance[®] and other enhanced telecom services, today announced that it has signed a new multi-year contract to provide its EDA services and call center network to Mobi PCS, the newest mobile operator in Hawaii. Metro One began providing service to Mobi PCS, formerly known as Coral Wireless, during the first quarter of 2006.

“We are delighted to begin a relationship with Mobi PCS and look forward to providing our premium EDA services to their subscribers as they initiate plans to launch Hawaii’s first unlimited-use wireless voice and data network,” commented Gary Henry, Metro One’s president and chief executive officer.

“Our service is designed specifically and exclusively for Hawaii and we are very focused on providing the most innovative communication services to meet the needs of our customers,” said Bill Jarvis, Mobi PCS CEO. “Metro One’s personalized and localized directory assistance will be an important component of the quality service we provide.”

About Mobi PCS

Mobi PCS is Hawai'i's only local wireless provider to offer affordable, unlimited local (O'ahu) and long distance wireless calling plans. Employee-owned and locally operated, Mobi PCS revolutionized the Hawai'i wireless market in January 2006 with its flat-rate cellular offering that requires no contracts, no complicated rate plans and no credit checks. Mobi's no-hassle, flat-rate philosophy extends to a complete line of "all-you-can-use" services including unlimited directory assistance, picture messaging, international text messaging and call forwarding. Mobi PCS rate plans range from \$40 to \$50.

Mobi PCS retail stores are located in Pearlridge Center, Windward City Shopping Center, Kapolei Ace Center, 1467 South King Street, and the Pearl Harbor Navy Exchange. Mobi PCS is also available through 55 dealer locations across Oahu.
