**METRO ONE REGAINS COMPLIANCE WITH NASDAQ LISTING  
REQUIREMENTS**

PORTLAND, Oregon – July 24, 2006 – Metro One Telecommunications, Inc. (Nasdaq: INFO), a developer and provider of Enhanced Directory Assistance® and other enhanced telecom services, today announced that on July 19, 2006 it received notification from the staff of The Nasdaq Stock Market indicating that Metro One was not in compliance with \$1.00 minimum closing bid price requirements for continued listing of its common stock on the Nasdaq Capital Market, and that due to such noncompliance, its common stock would be delisted at the opening of business on July 28, 2006.

On July 21, 2006, Metro One received a letter from the staff of The Nasdaq Stock Market informing Metro One that it had regained compliance with the continued listing requirements because the Company's common stock has closed at \$1.00 or greater for at least 10 consecutive trading days. Accordingly, as noted by Nasdaq in its letter, this matter is now closed.

As previously announced in connection with the reverse stock split effected on July 6, 2006, Metro One's common stock currently trades under the symbol "INFOD" and will resume the trading under the symbol "INFO" on August 4, 2006.
