METRO ONE RENEWS CONTRACT WITH XO COMMUNICATIONS

PORTLAND, Oregon – August 3, 2006 – Metro One Telecommunications, Inc. (Nasdaq: INFO), a developer and provider of Enhanced Directory Assistance® (“EDA”) and other enhanced telecom services, today announced that it has renewed a multi-year contract to provide EDA and other services to XO Communications.

XO is a leading provider of national and local communications solutions for businesses, large enterprises and carrier customers. Customers have access to Metro One’s highly accurate listings data in addition to other enhanced features such as: movie listings, restaurant reservations, driving directions and more.

“We are excited to have the opportunity to extend our business partnership with XO” said Gary Henry, President and Chief Executive Officer of Metro One Telecommunications. “XO has become one of the few, dominant nationwide competitive voice and data providers. We are proud to have them as a customer and look forward to bringing them continued value in the future.”

“By working with Metro One, we are able to offer our customers directory assistance that goes well beyond traditional 411 services. Metro One’s operators have consistently provided us the highest quality of service and we look for them to continue to add value to the services XO offers to its customers,” said Laura Inniss, vice president of carrier management.
