### **Metro One Inks Service Contract with RNK Communications**

DEDHAM, Mass. & PORTLAND, Ore. December 18, 2006 – Metro One Telecommunications, Inc., (Nasdaq: INFO), the leading provider of Enhanced Directory Assistance® and other enhanced telecom services, today announced that it has signed a multi-year contract to provide its services to RNK Communications, a global telecommunications and high tech services and software provider.

RNK and Metro One will collaborate to offer RNK customers a complete line of registered directory assistance features, including directory assistance lookups, Teleconciierge, MoviePro, Location Pro and other enhanced directory assistance features. Leveraging the aforementioned services, RNK will be able to increase the scope of features and functionality it provides to more than 300 carrier and reseller customers.

"We are delighted to launch this relationship with RNK Communications and look forward to providing our premium EDA services to their customers," commented Gary Henry, president and chief executive officer, Metro One. "Over the past 24 months, RNK has experienced a phenomenal growth curve, doubling in both employee headcount and in the number of subscribers nationwide. We are honored to welcome them into the Metro One family and look forward to a long, mutually beneficial relationship," added Henry.

Founded in 1997, RNK Communications is recognized worldwide as a leading developer and innovator in the global telecom market. RNK is a one-stop telecommunications provider, boasting a range of products and services including advanced VoIP capabilities, data/ISP solutions, prepaid calling cards and local/long distance service. "Our heritage and success as a full service telecommunications service provider is based on proven ability to understand the needs of the carrier market, and meet - if not exceed - their expectations," said Richard N. Koch, CEO, RNK Communications. "We are excited to work with the Metro One team, and look forward to offering their collection of enhanced services to our customers."

The Metro One portfolio of enhanced products and services will be available to RNK customers as of December 18, 2006.

#### **About Metro One Telecommunications**
